## Ayo, Joyful Full Album Zip [REPACK]

Cause I've waited so long to right my life I got to right my love My name is Lady Hildreth And we've been together for a year And I haven't done much of what I promised I'd do When I left, was I really that gone? That happy? To my life in my hands Was I wrong? I'm so happy the Lord is giving me a second chance To live and love in a better way But what's so hard to get the chance? So I packed my bags and I left the key Cause I've waited so long to right my life I got to right my love My name is Lady Hildreth And we've been together for a year And I haven't done much of what I promised I'd do When I left, was I really that gone? That happy? To my life in my hands Was I wrong? You know I never thought it could be like this But we're gonna make each other happy The future is mine, we'll live and love We'll laugh about when we were young But it's not too late at all To say how much I love you Lord, I thank You for life A second chance Lord, I'm sorry for what I left Cause I've waited so long to right my life I got to right my love  $\hat{a} \in \mathbb{Z}$  In 2013, singles the with the, have graduated from a message that such.
