
Stc Modem 014 Firmware Upgrade !!TOP!!

Open the HUAWEI AI Life app on your phone and go to Tools > Device update. Choose whether you want to update automatically or do a manual online update. When prompted to

update the firmware, click the button to continue. Updating your smartphone and battery over the air takes less time than the manual update process. During the update, the update icon is displayed on the smartphone screen. When the update is completed, the update icon will disappear from the screen. Note. After updating, many important

smartphone functions and applications, such as the camera, may not work properly.
