Bollywood Movies Torrents.Menu This past week my husband bought me 2 pkgs of lip stick which is nice of him. I thought I would document my experiences with it. The first one is BC Skin Charmin. I don't actually know if this is a "make up" color or a makeup color. They swatched it in Sephora and it looks like a make up color but they didn't say the name. This is what it looks like on my lips: Other notes about this lip color are that it is very watery and it feels so itchy. The next one I tried is BC's Moisture Plus Liquid Matte Lipstick. This one is a nice color. Since it is a liquid matte lip color I have to wear a lip liner
