Steam just. play The Sims 3: SimCity: It has been three years since the last installment for The Sims 2, and it was over 2 years since the last The Sims 3, making it time for an upgrade for the franchise's most popular game, The Sims 2. It doesn't exactly want you to be more than a middle manager, the way you'd be in a Sims 2 game. All your Sims are and they will actually be spied on in the game. The Sims 2 The Sims 3 The Sims 2 / Sims 3 / Ultimate Collection Released: August 29, 2008 – Version: 1.05 Players: Multiplayer Publisher: Electronic Arts Game Type: Simulation Genre: Simulation The Sims 2 Ultimate Collection. is a platform game created by Maxis, Sims series developer and Electronic Arts (EA) and was released in August 1, 2008 for the PlayStation 2 and Xbox, then released on June 6, 2009 for Windows PC and Mac OS. An expanded edition, The Sims 2: Creation Club, that included new expansion packs released prior to the game was released for PlayStation 3, Xbox 360, Wii, and PC. Gameplay The Sims 2 is an advancement of the simulating video games series, and the first The Sims game to feature a town with an open city area. The game also features more detailed facial features and hair colors. The gameplay of The Sims 2 is very similar to its predecessor The Sims, where the player (or players) control the life of a certain family of Sims, and can housework and socialize with other Sims. While The Sims 2 features actual houses in a town, and the ability to customize them, new additions include the ability to create real-world vehicles, appliances, and household items. In addition, the game includes a virtual world where the player's Sims can earn money and skills, have a house, and take part in local jobs, as well as global jobs. Other Sims features include: Animation The Sims 2 features more realistic Sims animations. Crafting The Sims 2 adds the ability for Sims to create their own furniture out of household items. De
