But it was not for long - the entire series of films left the platform in just three months of streaming. Where to watch: Harry Potter and the Philosopher's Stone. HBO. From the very beginning of the first Harry Potter movie, we see him finding and studying a book that contains spells. It allows him to study magic and understand how it works. But the movie actually ends when Harry and his friends Harry, Ron and Hermione find out that magic is evil. But how can they believe it after they found all the spells and used them to save the lives of so many people? And how can they trust these spells?
