[Close] The day I saw this book, I was astonished. I learned that this author has the honor of being one of the best mathematicians in Spain and one of the most famous in the world in his field. I knew that he had made some books in Spanish and some in English, but this was my chance to see his work in his lab. I also knew that many of his works were included in the list of the best works in the world, which he led for a long time.
