Bring Your New Mama On Your Couch For Photo Shoot It can be surprisingly overwhelming for new moms to navigate day-to-day life with a baby. Everything is different and moms need to slow down and learn how to be a mom again. This doesn't mean they can't have other responsibilities of course, it just means for some of us, it's ok to take a few breaks to step away from baby for a little while. Photographer Matt Pincus is asking moms to bring their babies to his studio for a very special photo shoot! The NEW Mama is asking to bring their baby or child and be photographed sitting on their own couch at home with the few favorite things they brought to bring them comfort. Also, a parent is asked to hold their baby or child on the couch, snuggle together and enjoy a photo shoot. These are also some of my favorite shoots! If you would like to be included in the shoot, please d0c515b9f4
