There is a PS4 version being announced. Not a third party bundle, but a stand alone version only. This may also mean that there's no releases for the Vita and Wii U.

Presumably they'll have online play. But I don't believe two player arcade racing, the typical Arcade Gamer's racer is gonna be added.

Nexus App - February 13, 2019 12:21 AM 5/5 The newest game from the maker of Elden Ring is also the most polished and richest yet. After spending months playing different type of RPGs and first person shooters, I highly recommend the review of others. But if you are worried about selling yourself to go buy this game, then there are two other fine options Starlight Media - November 15, 2018 1:06 AM 5/5 This game is beautiful, the music is good and the gameplay is simply amazing. What I'm liking most is the fact you can not only be a good hero but a bad one too and that they don't give you direct answers on how to win. I had so much fun trying different builds, weapons and stealth approaches to get by the guards. Very nice! cyberpunk - September 15, 2018 2:02 AM 5/5 What is so good about Elden Ring is the combination of world building and story. As a character of your own I may have never done a play through of a game. I'm there is so much things to do and explore. With all of that I'm just thrown into the world and I have to decide what to do with my own character. Bill - August 27, 2018 7:32 PM 5/5 Great game, although a bit different from the rest it's the best RPG of my life! Roberto - August 12, 2018 2:14 PM 5/5 Hauke has a really good job in building a really good world, the system is really simple but flexible to use and not too complicated to be hard to pick-up and play the game. I really appreciate the attention he gives to the lore and the design of the world. João - July 28, 2018 3:57 AM 5/5 The graphics are very good, and the gameplay is really great, it's really awesome with the heavy elements compared to other mechanics, the story and the lore are awesome too, and I really love the music. It will make you fall in love and a gamer all in one (^u^~) Alden - July 27, 2018 6:24 AM 5/5 Beautiful game. The lore and the story bff6bb2d33
