► The Dungeons of Rising The Dungeons of Rising, the main content of the game, are three large open world dungeon areas. In these dungeon areas, you will face monsters and solve dungeons in a variety of ways. ► Optional Dungeons Besides the Dungeons of Rising, there are many other dungeons that you can explore. Here, the monsters are more difficult to handle than the Monsters in the Dungeons of Rising, and the rewards for your success include items that are much stronger than those found in the Dungeons of Rising. ► Scouting Exploration Scouting Exploration is a game mode that allows you to take part in the Dungeons of Rising early. In this mode, you will face easy monsters, and can easily obtain their rewards and items, which can be used in the Dungeons of Rising to gain an advantage. ► Grading Dungeon Exploration In Grading Dungeon Exploration, the final victory in the Dungeons of Rising only leads to the completion of the game, and you cannot obtain items. However, this mode allows you to receive an item that can be used in the game for a limited amount of time after the end of the Dungeon of Grading. ► Exquisite Item Crafting A system that allows you to freely combine items that you have made from your previous exploration, along with various items of monsters that you have killed. By doing this, you can increase the stats of the items you have made. • The Story of the Elden Ring Cracked 2022 Latest Version With an epic story told in fragments, the story of the Elden Ring is what you first discover in the game. The story is told through the thoughts of the characters and the letters of the assistant, Olessis (seriously, his letters are hilarious). The story follows the trial and struggle of the characters who try to become an Elden Lord in the Lands Between. • Various Modes There are three modes in the game: the Adventure Mode, which is a mode in which you are guided by the story; the PvP Mode, which allows you to compete with others in a real-time world; and the PvE Mode, which allows you to experience a variety of content in the game. • Choice of Weapons and Armor You can freely equip a variety of weapons and armor, each of which has a specific role. As you increase your level, you can also increase the stats of the weapons and armor you select. • Character Creation You can freely create

"As a fantasy action RPG, Elden Ring offers an unadulterated experience that challenges the player to survive endlessly in a hectic battle. Such a fantasy RPG can even be played co-op with friends, and of course, it has enormous replay value since each playthrough develops your character differently." Gematsu "Elden Ring is a well-written and comprehensive fantasy RPG that brings back the feeling of playing Final Fantasy Tactics." Gematsu "If you are looking for a hardcore RPG with action elements, then Elden Ring is highly recommended." Game Patroller

*Online Play Connections are the same as for singleplayer; multiplayer is intended to be played together with a group of friends. ALTRUECOMPANIES.COM "We are a Japanese / American team based in Silicon Valley, California that created the fantasy RPG "The Elden Ring". Our first project was this game called "The Elden Ring", it's an RPG made for both PC and smartphones! We also worked on the game "Midnight Pearl" for the same company, it's a RPG made for smartphones! In 2012 we created the "Dreamwalker Chronicle Project", an iOS game called "Dreamwalker Chronicle", it's a RPG made for iOS devices and is our first game. We are also working on an Android version of "Dreamwalker Chronicle" in collaboration with "Empirion Studio". We have also worked on a Game of War Project that's based in the "Africa" region, that's a mobile game that is made for both iOS and Android. We love video games and are always discovering new ones to love. We are always striving to create games that we can be proud of! We hope you enjoy "The Elden Ring" as much as we enjoyed making it! The guiding voice of the story will be transferred to a main character named 'Tarnished' who you must choose. "Tarnished" is backed by a brave king who is overworked at his duties and has been charged with defending the Lands Between. To counter this, you are a student of the renowned forge of legend who dares to challenge his master's restrictions and think of things from Tarnished's perspective. Will you accept the charges from the Tarnished King and undertake the adventure as Tarnished while challenging the limitations of your master? In the game world, world development has progressed, and there are many new, challenging things in store. Of course, the game can now be played by more people than ever before.

Pokemon was the first Pokemon Generation that I got into. I'm part of a collectors club in the Philippines (Pepsi Cola Clan #4), the members of which played a game of Pokemon about 2 years ago.

I bought the Game Boy Color for this game since we couldn't buy games for it over here in the Philippines. I looked up the game on the internet and found out about this HIDDEV version of Pokemon called Pokemon 2 or Pokemon Gold + Silver and Gamefreaks released it a while ago. Gamefreaks worked with the developers of Pokemon and converted this version that's based on Gen 2 over to the Game Boy Color.

The game has a
