The Creative Assembly, the award-winning game developer of critically acclaimed titles including the Total War® series, ROME, and AUTOMATION, is pleased to announce Elden Ring, a bold new fantasy action RPG set in the Lands Between. Elden Ring is a fusion of RPG and action game with multiple classes, epic battles, and highly detailed graphics. In addition to its unique style, Elden Ring is an epic fantasy story of lost destiny that seamlessly combines an original plot with a classic fantasy world. Elden Ring sees the player take on the role of a 2D avatar as they fight for their place in the Elden World, acting as one of three available classes: Warrior, Mage, and Nightblade. Ranging from elemental magic to weaponry, each class will choose their own path of

dominance, and playstyle, as they ally with an initial group of three adventurers and travel the Lands Between to stop a mysterious threat. As you explore the Lands Between and meet the inhabitants, a plot twists and unfolds that will determine whether your chosen avatar will receive a greater destiny, or be destined to live a lonely existence. The decisions you make will be instrumental to your adventure. Will you choose to slay dragons, wield swords, and grow close to female companions? Will you be the savior of a frozen kingdom? Will you be a hero or an evil villain? The Stories of Elden Ring As the story unfolds, you'll play with a group of adventurers that includes a female warrior, a strong combatant, and a mage that wields magic spells. They are your allies, and together, you'll embark on a journey that takes you beyond other lands, while revealing secrets and fighting against monsters that plague the Lands Between.

The game's storyline spans five episodes and over 30-some hours of gameplay. Elden Ring's story is divided into three separate branches that interconnect - each separate story is a piece of a bigger picture. Each episode unfolds in a different region, with a story and goals unique to that region. Each episode begins with an episode objective, which will give your characters a specific goal such as collect gold, discover a puzzle, or defeat a boss monster. This is your mission, the prize that you are after, and what drives the story forward. What's It Like to Play Elden Ring? Elden Ring was crafted from the ground up to draw you in and excite your imagination. From the opening cinematic,

Difficulties encountered in treating a retained sponge after drainage of a hypospadias urethrocutaneous fistula in a child. We report a 2-year-old boy with a penoscrotal hypospadias who presented with a 2-month history of penile swelling and drainage from the labial area. Physical examination revealed a wet-dry lesion in the penile shaft, which healed after attempts at sponging. Urethroscopy was performed because of the suspicion of a urethrocutaneous fistula. A white, nonviable foreign body was seen in the prepuce and penile urethra, which was carefully removed in 2 pieces. Intravenous antibiotics were given, with the aspirated material being cultured for the presence of common skin flora. The scrotal

skin was closed 3 days after surgery. At 10 months, the labial lesion had almost disappeared, although the child had a small scrotal lesion that appeared to be a remnant of the sponge. We conclude that a hypospadias urethrocutaneous fistula may need to be treated surgically, and that the surgical procedure should be performed as soon as possible because they may heal spontaneously, and many treatable conditions may occur during the subsequent months. However, the risk of a spontaneous closure is not high.

Washington (CNN) House Majority Leader Kevin McCarthy offered proof on Thursday that Republicans are continuing to engage in obstruction during his press conference following President Donald Trump's performance in his prime-time speech on Syria. McCarthy, who is retiring from Congress in January, defended Trump's statement on Thursday regarding Syria, arguing that his leadership was necessary when it comes to the nation's foreign policy. "I gave him the op-ed, like when he gave me the op-ed," McCarthy said during his press conference, a slight reference to his November 2015 draft op-ed which appeared on then-Presidential candidate Trump's personal website

k HN: How can I justify paying extra \$\$ for startup android device? - sudhend So my girlfriend recently got nexus 7 and she loves it, I just love android apps. My problem is, I have smartphone (Huawei Ascend P1) which has huge lag so I can't install most of android apps. So I proposed to her that pay for cell phone which will surely have more storage than mobile phone.

The problem is she like Galaxy Note 2 very much (usually all android smartphones are too big for me). "

here are a lot of user interface of android that I like in Galaxy Note 2".

what would you tell her? ===== kumarm Go to khack.com and ask them. They will ask her question but which phones would be better for her, but this is hypothetical questions asked after asking her what she likes. Or talk to her friends and ask them what are phones best for new age, older females users. I think people have phones because they like it and really want security and privacy reasons so it's smart to leave it to them to decide the brand of phone to buy ----- users There are great apps (and developers) for the smaller devices, but you have to look at the quality in which you expect an
