>Mon, 02 Apr 2018 12:49:27 +0000In today's world almost everywhere that we go we are either looking for people to talk to online or listening to their gadgets talk for us. The Babylon Project has prepared a netart generator online for your use. The netart generator online is a very specific component within the Babylon Network. It a disseminates of cultural value by distributing images of artists in Babylon. Time and time again artists have shown interest in using a netart generator online, since it is an easy and free method of distribution. This misconception towards netart is why "net art" has a cult following that many people in their right mind find strange. "The Babylon Project" While we do our best to make this component as easy as possible to use, we are still in beta testing. We highly encourage you to report any bugs you may find, and we advise you to ensure you have the latest version of the Babylon Project and Net Art Generator online installed. MOTD for this Babylon Project This video contained a hour long replay of a live match between Jason Robinson vs Farha. Another replay was submitted,
