Q: Where did the list of rejected questions go? Here's the link to the list of questions that are being rejected: But now I cannot find that list on the left side menu. Where can I find that list?

A: The list of declined questions is here: But you can also check rejected questions under the [status-declined] tag (it was introduced as part of this feature request).

Melanoma and melanocytic nevi in a hereditary cutaneous melanoma syndrome. This report describes the clinicopathologic and molecular genetic features of 16 melanoma families with an autosomal dominant pattern of inheritance. All 16 melanomas demonstrated loss of heterozygosity (LOH) on chromosomes 1p and 6q, and seven of the 16 (44%) melanomas exhibited a loss of the wild-type allele. Immunohistochemical stains for the MC1R and TYR gene products were

performed on tissue microarrays
constructed from primary tumors and
metastatic lesions. LOH on the MC1R locus
on chromosome 1p was present in 13
