Calls for same-sex marriage will be lost if LGBT+ people do not demand their rights in the final hours before the current Marriage Act is deemed unconstitutional This article is more than 2 years old This article is more than 2 years old The final push to pass marriage equality for same-sex couples in Australia has begun with former prime minister Malcolm Turnbull leading the charge in the final 24 hours of parliamentary action. In a last-ditch effort to break a hung parliament on Tuesday, Turnbull, Kevin Rudd, Julia Gillard and former prime ministers Tony Abbott and Bob Hawke will all argue their case for same-sex marriage in public speaking events. Australian federal election 2016: William Bowe explains the early shift to more conservative candidates Read more Ahead of a fresh Senate vote on Tuesday, neither the Coalition nor Labor will be able to deliver enough votes in a hung parliament to change the constitution. With a bill to change the definition of marriage to allow gay couples to wed could fail, Tony Abbott and the Palmer United party in particular have called for the current Marriage Act to be declared unconstitutional. Abbott, who dropped out of the leadership contest to back his deputy, Barnaby Joyce, has pledged support for his former enemies on marriage. He has previously said that the current marriage act will "not survive a constitutional challenge". Rudd, who is slated

Q: Some jquery issue with selectors when using event.gesture(); I've put together a quick example here, which I will be using to debug the following issue that I am having. This is my simplified page, The page above should alert true when it detects a touch, click on an input[type="text"]. However, the problem I am having is that the triggering element when using the following is a body element. My theory is that the body element can technically be considered the selector of

Rise, Tarnished, and be guided by grace to brandish the power of the Elden Ring and become an Elden Lord in the Lands Between. Game Information: Welcome to the Lands Between, a world where kingdoms are still recovering from a great conflict in a region called the Pit and souls are still recovering from the catastrophe known as the Fall of Eldin. The present of this world, where you're currently standing, is called Tarnish. In the midst of decline, this place is gradually being overrun by demons and their cities are being overtaken by the Oblivion. As you go on an adventure with Tarnished on his journeys, you will be met with new challenges and quests, as well as the people, monsters, and items that you will meet. There is a reason for the world's state and its reason is not known even to you. In order to solve the mystery of the world's current state, you will need to gather allies, fight monsters, complete quests, and of course, explore. War of Risen is a new medieval fantasy hack-n-slash single-player RPG inspired by God of War. You play as Hjalmar, a Templar Knight who has been imprisoned for an unknown reason. Your adventure begins with an escape from your prison cell and the mandatory struggle against the guards. You'll need to sneak past them and move towards the exit, but be careful not to get caught. There will be guards and enemies in all places you go, so be careful. Unlock your true strength and fight evil. We have created a unique sequel in the God of War family of games! We will present you more interesting monsters and bosses! We will give you more powerful weapons, more options for combat, more details in our skill trees, and much more... GAME FEATURES - Over 50 different enemies! - More than 50 different weapons! - Customize your abilities with 3 skill trees! - In God of War tradition, more than 150 deadly traps! - Upgraded graphics! - Special combat
