She would far rather stare at the cute girls in her local maid café than practice the cello. Her father is incredibly famous in the world of classical music, and Azusa has a lot to live up to. The professors at her university constantly compare Azusa to her father, much to our heroine's chagrin, and she'd really rather be judged on her own merits than those of her father's. Unfortunately, Azusa's only positive qualities are her exuberant energy and her

unerring optimism. Azusa's childhood friend. Mari - or 'Marilyn' - has stood by Azusa's side through thick and thin. Mari routinely waking Azusa up in the mornings, reminds her about impending deadlines, and helps Azusa study in the university library. Okay, after yet another experiment with my shower, well, testing waters to be honest, a sad story, I was SO exited and I was enjoying what I was doing that I came in, bracing myself, (good job I kept my legs closed...) and went to wash my lower thighs, OWAAAY!!! What a mess!!! I couldn't move my limbs, couldn't move my legs! I was numb...after 30 minutes I HAD to wash my legs! Okay, I told you that I got GREAT results with my shower, but I had to pay a PLANE TICKET....LOL!! I spent 70 dollars on a shower! What a waste! So, I have to REALLY rethink my shower. Even though I got something I really liked, I only have to bother with a shower once a week. I spent money just to test a damn shower. Now, I was happy that I eventually got a bath that I enjoy since I was now able to move, but it did cost quite a bit. With that said, I have decided that, after this, it is God's plan that I use water only once a week since it was working well for me. My next experiment is to take a shower with only mineral water...as long as I don't have to move my legs, I am good to go. I can't tell you how much I'm looking forward to this new adventure in my life. Well, I have been doing this for months, yet I spend money like I get it every day! My antiques business has taken a LOT of money, and another thing about this? 80% of my life is worthless! LOL!!! I even got a set of military money, \$35 of it in plastic here. I toss it in to the recycling in a very heavy garbage bag and it goes in. This one time I had to change the routine and was running out the door, I realized I hadn

Game Reviews: The intro of an episode of Doctor Who is always a particular favorite of mine. It's the sort of thing that is impossible to describe, but if you've watched it, you know exactly what I mean. Suddenly, the images and sounds that you thought you knew so well, you begin to understand in a new way. It's the same with TARDIS, the Doctor's time travel machine. In the game, the most distinguishing
