George Allison University of Illinois at Chicago.Incidence of acute drug-induced liver injury related to the use of traditional Chinese medicines during pregnancy: A retrospective observational Study. The use of traditional Chinese medicines during pregnancy remains unknown. We retrospectively reviewed the medical records of pregnant women who were admitted to 1 hospital in Southern Taiwan from January 2010 to December 2015. A-DILI-related cases were identified during the study period, and most (97.5%) were in their
