You can also create.EXE,.DLL,.VBS,.JPG,.PDF.As voters prepare to go to the polls today to elect a new national president in the United States, many of the candidates have spoken out about the country's immigration system. Donald Trump vowed to deport undocumented immigrants and build a wall along the Mexico border. In a recent CNN debate he said: "I'll get them out by a process of attrition." Hillary Clinton said it was "obviously racist" to suggest that there's a "Muslim ban". She said it was illogical to suggest that closing the border with Mexico would strengthen the US. But the UK could learn a lot about how to deal with immigrants from some of the initiatives currently being pursued in the US. One of the country's programmes that have aroused particular interest in Britain is its H1B work permit scheme. A big increase in the number of such permits has given rise to fears that this is a cynical ploy to fill jobs with foreign workers at low wages, rather than a legitimate attempt to recruit highly skilled staff from overseas. In practice, companies won't win special permission to hire foreign workers in the UK without being obliged
