In the world of Aeria Games, there are knights who are plunged into an endless conflict against Titans. Their brave deeds and accomplishments have earned them the title of “Elden Lords”. As the third in the series, Elden Ring is a brand new fantasy action RPG with a vast world, characters you can develop, and online play. By the end of the 2nd century AD, the “Elden”, people with power of magic and abilities of unbelievable strength, once lived and spread throughout the continent of Elsia and fully colonized the world. By the 5th century AD, the world was divided into numerous nation-states and warfare between countries was common. One day, the Elden Ring was dissolved. It was not an ordinary moment; with a magical formula, the Elden Ring that had been held for a thousand years was dissolved in a single second! The last Elden, who had been dreaming of unification, was consumed by despair, but with the combined strength of the other Elden Lords, he laid the foundations of the legendary Elden Ring. His hopes were finally realized in the form of the “Elden Ring”—a grand jewel that could grant incredible power to anyone who possesses it. The peace that followed was intended to last a thousand years, but it lasted for only ten years. In the peaceful Tokra Empire, a person who possesses the Elden Ring is called an “Elden Lord”. In the Seiken Dojo, a secret organization for Elden Lords, a great battle was fought in order to obtain the Elden Ring. Though the Elden Ring was won, not all the Elden Lords participated in the battle, and the leaders of the Elden Ring were killed and the Seiken Dojo was disbanded. After several years, a new Seiken Dojo was founded under the leadership of Susano’o, who took up his mission of saving the world once again. This time, the order for the Elden Ring was to be formed around the numeral “3”, the symbol of the Elden Lords. The game begins with the formation of the Elden Ring. Along with the formation of the Elden Ring, each of the 3 Elden Lords met an individual named Tarnished Rose, and brought their own unique special abilities to the Elden Ring. As the storyline unfolds, you’ll meet friends and foes in the “Land
