Of course you can browse the internet and purchase a subscription to Photoshop CC if you are so inclined, but often a \$400-\$1000 investment is not feasible for many. Some options for beginners are: Adobe InDesign – befitting an essential web design tool. Adobe Illustrator – for vector graphics such as logos. Common Photoshop tools can be replaced with free alternatives such as GIMP and Pinta. If you use more advanced features and plugins, you will still want to pay for Photoshop. Macaulay Culkin Denies Sexual Assault Accusation; Says He's Ready to Go to Court and Defend Himself; Claims Led Zeppelin Told Him to Spread as Many Assumptions as Possible about His Sexuality

Macaulay Culkin, 35, is not backing down from his recent accusations that singer Michael Jackson raped him when he was a child and later covered it up. The child star accused Jackson of molesting him on several separate occasions between the ages of 6 and 10. Culkin claimed that, when his career began taking off, Jackson was grooming him to take over his role as a child icon. When Culkin decided he didn't want to go along with this plan, Jackson allegedly made him pay for his choice by forcing him to sleep with adult women, once with Jackson and another time with someone Jackson's son (Derek) had brought home from a photo shoot. In a statement posted on his website (Culkin claims it was Jackson who called him to his Neverland Ranch and asked him to meet a group of men to tell them what he wanted them to hear. This is where Culkin says the famous rock group "Led Zeppelin" (which consists of guitarist Jimmy Page, drummer John Bonham and bassist John Paul Jones) joined in on the ploy. "The next day, he had me call Jimmy and John Paul over and convince them I was a homosexual," Culkin explained. "Then he started changing my entire life. He said I was an orphan, which is true. He said I was adopted by a very wealthy, religious, career-oriented family, which was partially true. He said I grew up with sexual abuse in my life, when I didn't, but that I had the perfect family to help me deal with it." A spokesman for the Jackson estate issued a statement (saying, "Mr. Culkin has a long history of erratic behavior and it is unfortunate that he is using his many years of therapy to make his delusional claims." The statement goes on to claim that Culkin's claims were not corroborated by any witnesses. "He also has many allegations, fantasies and outright lies that have been proven to be complete fabrications, including claims that Michael Jackson was not his father. Culkin's mother told a
