Autodesk dropped the original version of AutoCAD in 2016 and continues to offer new AutoCAD products, including Autocad LT, Autocad Architecture, Autocad MEP, Autocad Civil 3D, and Autocad Mechanical 3D. The Autodesk AutoCAD software suite replaced earlier versions of AutoCAD that used the PLASA CAD standard file format. AutoCAD 2018 AutoCAD 2018 introduced new 2D and 3D capabilities such as textured and shaded surfaces, seamless surfaces, and constraints. Autodesk introduced a native 2D drawing viewer called Sheetmetal that complements the 3D view, which allows users to work with AutoCAD's traditional drawing tools within a 2D view. AutoCAD Architecture AutoCAD Architecture is Autodesk's new architectural design software. It was released in 2018 and is intended for architects, interior designers, and contractors who design and build large projects and for academics who design new or existing buildings. Autodesk has made design, construction, and documentation easier by including software tools that can complete a project in one suite of software. Designers can use either 2D or 3D tools to quickly communicate the key design decisions with AutoCAD Architecture.

High school baseball: Cougars sweep Barnesville BRIGHTON — It wasn't a pretty game. It was a lopsided, out-of-town loss for the Thoreau Cougars that was really anything but. But it was a win nonetheless. On a warm, sunny Tuesday afternoon, the Cougars took advantage of a two-run error, a walk and an error-filled and bad-hoped pitching performance to come out on top of a 4-1 win over the Barnesville Red Raiders at Thoreau Field. "All in all, it was a good outing," said Cougars coach Brian Bortel. "We played better than we did last week against Ludowici, and I thought our offense played well." The Cougars (9-0) scored their first run in the first inning against Barnesville starter Tanner Speegle. The speedy Nathan Smith led off with a base hit to right field and scored on a Sean Kresser sac fly. Kresser scored on the next play after a wild pitch allowed Smith to reach third. Cougar reliever Nathan Palmer got out of trouble by striking out the side. "We scored first off of an error," Bortel said. "That really helped. And then we scored on a sac fly. It's a good start to the season." Cou
