There is some sort of bug in the way these new Pokemon capture mechanics work. I'm using the P2W Ultra Version on my Nintendo 3DS. When I attempt to capture a Pokemon, it seems to have super-regenerative health and no capture bar. I've gotten the message that I only have 50 turn overs left three times already. I have a moderate Pokemon deck. The last Pokemon I captured was a Varilar for my party. I did have the item I know to prevent healing from the item but it didn't work.
