To be honest, the company would not be a good company to work for. They are a sub for 3M. I don't know how to write for a sub, and I have tried. I'm sure the head of this company knows how to write, and I'm sure they don't want to. But I wasn't going to read it, since I know it's going to be good. I don't think that's fair. Does that make any sense? High-end softwares, graphics or animation tools, photoshop & RAW editing softwares.
