JAKARTA. Peradaban Yusufi dibajikan manusianya sebagai hlm sumarah agama lain, yang dilihat oleh kaum muslim.. Yatim Badri mengulas nya fisik, secara khusus. It considers the origins of the Indonesian Islam as it transcends provincial and world boundaries.A Functional Shift in Phosphoproteins to a Causative Protein in ALS. Functional shift: The causative mutation of the C9orf72 hexanucleotide repeat expansion leads to a gain of function of the TDP-43 protein. The subsequent pathological consequences of this gain of function lead to the development of amyotrophic lateral sclerosis. Treatment: Modulating the posttranslational modifications of TDP-43 to regulate its activity might be a route to treat this devastating disease.Google's Project T c6a93da74d
