July 12, 2019 - On UEFI systems, are there any built-in drivers in the UEFI firmware, such as display drivers. Sagemcom Spiga WiFi drivers and utilities. Are there any native display drivers in UEFI firmware like display drivers? For example, for Samsung Smart TV, but I can't find a driver for this manufacturer. Display drivers for Samsung can be downloaded from the Samsung website. It says "You can find drivers on the Samsung website". When I search the Internet for drivers for Windows 7, Windows 8, Windows 10. I can't find drivers for Samsung. Is there any support for Samsung display drivers in UEFI firmware?
