
Kotor Dantooine Graphics Glitch !EXCLUSIVE!

I played this game and found that in There was a slight glitch in Taris's Undercity - I ignored it, thinking it wasn't that bad. When I came to the Hall of Fame to try again, I found it really wasn't that bad. Not only did I get one more level, but even more experience, and, even better, even more gold. If I hadn't been so busy, I would have noted to myself that it really felt like a slight deviation. I would be more than happy to just ignore it. But I was busy, I was busy, and I got paid for it... Well, it wasn't actually a glitch.
