Ponniyin Selvan Audio Book By Bombay Kannan Free Download. No Tamil novel has been as celebrated and fondly remembered as Kalki's Ponniyin Selvan in the last century. This in spite of its size running into a thousand pages and the numerous characters that walk them. The fascination for the Chola prince, which accounted for its stupendous success when it was serialised has not waned, what with the epic story adapted to various forms, except perhaps celluloid. MGR wanted to make a film out of the story but various constraints, including finance, tied his hands. Director Maniratnam is said to have even decided the cast but gave up.

In Tamil: Ponniyin Selvan is widely considered by many to be the greatest novel ever written in Tamil literature. It was first published as a series in the Kalki, a Tamil language magazine, during the 1950s and was later integrated into a novel. The story of Ponniyin Selvan is set in the early 10th century, between the reigns of Tamil-speaking Cholas of the Sangam Period and the subsequent period of rule by the Northern Cholas and their successors. Ponniyin Selvan, the title character, is an Arulmossiyar who is also considered by some to be the greatest emperor of India, and there are many other characters in the novel who play important roles in Arulmossiyar's story. Many Tamil dictionaries define Ponniyin Selvan as a sage or an arhat. Author Kalki Krishnamurthy painted an epic and fascinating picture of the times of the great Chola emperors, though in keeping with Hindu history and poetry he avoided the heroic and exuberant view of the Cholas' victories as usual in history and heroic poetry. Ponniyin Selvan is based on the legend of Arulmozhi Varman, one of the Arulmossiyars (sages) during the reign of Rajaraja Chola I of the Cholas who ruled over the Chola kingdom between 985 and 1014. The main character of this series is Arulmozhi Varman. Arulmozhi Varman reigns as the emperor of Tamil country for 31 years but also has to fight many enemies. Ponniyin Selvan (புத்தொழி வர்மன், born Arulmozhi Varman; 944 CE - 1023 CE) was the 33rd emperor of the Chola dynasty (965-1236), who ascended the Chola throne as a child at the age of 3. He was a prince of the Chola dynasty. He has been identified with Rajendra Chola I, the Chola emperor who founded the Pandya kingdom in India in the early 14th century and who is widely considered to be the greatest emperor in the history of India. 5ec8ef588b
