September 5, 2020 - If you select English, the game will open in black. Download the first .rar and extract it to the Prototype 2 folder. Then go to the Prototype 2\\bin folder (if the folder doesn't exist, create it). Now in the Prototype 2\\bin folder, download the first .exe and run it. You now have another (second) .exe file to run. You can do it manually, but it's easier to use a utility from Microsoft. Right-click the .exe file and select " dd2bc28256
