izydraf d868ddde6e Reply. uluknick. January 29, 2022 / 12:55 p.m. Nothing at all. A loud noise came from above and my head hurt because it was close enough to fall on me. The head ached. Nothing at all. I'm fine. And yet my head hurt. The vicodin was bad. I'm not going to take it again today, I decided. no. It'll break my brain out. I hadn't even taken it for a year. I haven't had any headache since the first time. I just felt like it would break my brain out. I've had a few other headaches, but nothing like this. I should try to work my way out of that. I
