in addition to the influence of *Patas dan Kasih*, another film that has caused controversy in the Indonesian film industry is *Ketika Cinta Bertasbih* itself. This film is a re-imagining of the much-loved novel by Habiburrahman Syirazi. Syirazi was a famous Indonesian novelist who wrote *Ayat-Ayat Cinta*, *Jomblo (The Razor)*, and *Ajian (The Truth)*. He was also a pioneer of the literary genre that was later to become the basis for the cinema - the screen novel. Syirazi's novel was enormously popular in the 1950s and 1960s. The novel is set in a rural area of Java and

deals with the story of an impoverished farmer who falls in love with a beautiful, muslim woman. the novel has been adapted for the big screen more than once - first in 1966 with *ayat-ayat cinta*, and then in 1977 with *mengaku rasul* (claiming to be a prophet). the most recent adaptation was in 2003 with *syahadat cinta* (testimonial of love). in the present study, we intend to show the literary significance of the novel *ketika cinta bertasbih* 1. in particular, we seek to analyze how the novel defines the presence of deixis in the literary analysis of this novel. deixis is understood as a grammatical device that represents the situation in which

the utterance is spoken. deixis can refer to both people (i, you, they, we, he/she) and things (here, that, now, yesterday, yesterday, tomorrow, later) or time (now, tomorrow, later). although, deixis is not the only grammatical device that is used in literature, it is a device that is used in all of the literary works. 5ec8ef588b
