## Evangelion 2.0 English Dub 1080p Hd High Quality

this version of the story is also much more tragic, in that it begins much earlier than the original version. it follows the plight of humanity as it faces the threat of an impending apocalypse from the angels. but it begins much earlier, as an invasion of the moon occurs in its early stages. the impact of the invasion is felt across the entire globe, and through the power of the evangelion units, mankind is able to fight back. the first of the two-part anime remake of the 1993 classic, evangelion 2.0: you can (not) advance features the return of the series's original lead singer, miho kingue, and her new band, blue angel. accompanying them is the return of the series's original composer, hideaki takayama. this time around, we get a more faithful adaptation of the original soundtrack, including all of the songs by kingue and takayama, and a few bonus tracks for us fans. in addition, there's a new, high quality production featuring new character models, clean but detailed backgrounds, and a new, sharper-looking avc video transfer. in terms of extras, there are the usual collection of trailers and ty spots, as well as a new, very faithful english dub. overall, it's a fine release, and a great way to get the sequel of one of the most watched anime series of all time. this, too, is a part of the 'evangelion' series we wish we could have seen in the past. it's the second part of the series remake, and the first part to show the world of the movie. the movie is made up of 2 discs, the second of which is the movie itself, plus extra content. this includes a new, high quality production, with new character models, detailed backgrounds, and a sharper looking avc transfer. it features a new english dub, a faithful english track, and a great collection of extras. this is the first disc, so you may want to skip the second, as there's not that much content there. the dub is one of the best i've seen, and it's very faithful to the japanese track. overall, i think this is one of the best and most complete of the series.

## Evangelion 2.0 English Dub 1080p Hd

after mari saves shinji, unit-02, and misato, unit-01, her face is mangled by the effects of the angel's at-field. the evangelion project is forced to build evangelion unit-03, a new evangelion unit, as mari's face is beyond repair. approaching a seemingly dead sister asuka, they finally learn that their mother is still alive. they learn that their father, who was seen killed in their father's dream, is still alive and well, the core destroying itself before their eyes. to their surprise, he's alive and planning to use the core to destroy humanity, and to mari's horror, he's planning to use them to make a new evangelion, using rei as a pilot, and she isn't even aware of it. asuka decides to kill her father before he can complete his plan. meanwhile, unit-03 begins a battle with the new evangelion, and as it falls under the influence of the core, mari's monster-like face appears in its eye, and it falls into a rage at the core for awakening, kaname tojo is the first human pilot of unit-03, and as she destroys one of the core's at-fields, the other core begins to create a barrier between the core and unit-03, and it begins to attack her. in desperation, kaname tries to activate the barrier between the core and unit-03, but it doesn't activate. unit-03 is absorbed by unit-01 as mari tries to warn shinji and asuka not to activate the barrier, but asuka, shinji, and kaname destroy the barrier, and unit-03 is destroyed, when the core manages to destroy the barrier between the core and unit-01, unit-01 is destroyed, and the evangelion project is forced to resurrect unit-02, who joins the battle as well. gendo is controlling the core, telling it to destroy itself and the world. mari and unit-02 launch their attack, and the core begins to be destroyed from the inside out, which destroys the world. 5ec8ef588b
