Daniel Craig is amazing as Joe Scott, a former Hollywood star adrift in a haze of sex, drugs and lost fame. friend's funeral. A fading Hollywood star looks back on the days. If you have not watched this movie, you will not be able to understand why the film won an Oscar. - this is a good spy thriller, in which there is a spy intrigue, and an action movie, and a drama, and a thriller. Interestingly, the film turned out to be almost entirely based on real events. Daniel Craig said that the film contains some of the events that happened to him personally. The film turned out to be
