**Gta Vice City Deluxe Full Version Pc  
Download UPDATED**

---

entering cheat codes in gta vice city is very simple: press the "cheats" key (the one with the red circle and white cross) as soon as you start the game, and it will pop up the cheat sheet. you will then have to select the cheat code you want to enter. press enter when you're done, and you can play on. if you're playing grand theft auto v on pc, the cheat codes are pretty similar to the console version. first you need to get the cheat codes on the cheat sheet, then you have to select them and press enter. you will have access to any new vehicle: ferrari, bmw or nissan. drive around the city, visit the workshops and repair damaged vehicles. the main character has an unlimited amount of money, 200 hp and armor, which greatly affects the gameplay. now shooting with opponents is much more epic, because you have a huge amount of health. it's an eclectic selection of options, but unfortunately, unlike gta 3 cheats (opens in new tab) and gta: san andreas cheats (opens in new tab), there is no gta: vice city money cheat. you'll have to earn those bucks the hard way. or by gifting yourself an advanced weapons set and regenerating health. you can activate gta vice city money cheat on playstation by selecting options and then the cheats tab. on the cheats page, you can toggle the gta vice city money cheat on and off by pressing the l1 + r1 button combination. note that unlike gta 4 cheats, gta v cheats work with all versions of the game, including the xbox 360, playstation 3, playstation 4, playstation vita, xbox one, wii u, playstation 2, nintendo ds, and psp (the gta: vice city cheats aren't as obvious, but they are in the same place as gta 4 cheats).

## **Gta Vice City Deluxe Full Version Pc Download**

unfortunately, entering cheat codes while playing gta: vice city - the definitive edition will disable trophies on playstation and achievements on xbox. you can have multiple save files, though, so if you want to earn the platinum trophy or 1,000 gamerscore, make sure you use a separate file for cheating. this grand theft auto: vice city cheats and secrets guide details everything you need to know about gta vice city cheats, including how to enter and activate them.

it also includes the best gta vice city cheats available, and a complete list of all cheats that appear in gta vice city. for a game that's been off the air since 2014, grand theft auto: vice city is still pretty fun in hd remasters. if you're looking for something else to play, and you want to play a game that's brand new, our top recommendation is definitely grand theft auto v. it's been years since the glory days of 2004, so we took a look at how other popular

---

games have aged. grand theft auto v, fallout 4, and saints row iv look pretty great. the last, and sadly, the most memorable game to ever be part of this series, is grand theft auto: vice city. the game has aged incredibly well, and for such an aged game, gta: vice city hd for xbox one still holds up surprisingly well. put simply, this is just an awesome game all around. trying to cheat your way into grand theft auto: vice city will be far more interesting once the psn version is released later this year. rockstar plans to release a free playstation network version of the game in december. we couldnt include every single cheat code in this post. while some gta: vice city cheats are common knowledge, it's not the same for all of them. this list is made with a focus on those that are the most helpful in the game. if you see a cheat that needs to be added to the list, don't hesitate to leave a comment in the comment section below. have a great time gaming! 5ec8ef588b
