September 13, 2019 - Troubleshooting completed for P3D and Windows 10 novice users. ... 3. Clean up the registry. Now it looks like someone has already done this? Yes, and if not for this program, then you might not even know about it. Cleaning the registry is good. This simply removes all files created by Windows Update and, more importantly, everything added or removed by the operating system itself. We used a Windows 10 tool to clean up our registry. Of course, we can use this tool to clean the P3D registry as well. But let's not try to do it yet, because we now have everything we need. 4.
