Governor Of Poker 2 Premium Edition Serial Number.rar. Baking soda and water made butter is also tasty. Although you can add additional ingredients like salt or pepper, honey, your favorite spice, crushed garlic, or citrus zest. I'm a purist and refuse to use anything else. It's a great cooking ingredient, and unlike shortening or oil, it never loses its cooking abilities. Once you make butter at home, you'll never buy butter again.1.Ingredients: 5 tbsp of salted butter or margarine, 2 heaping tablespoons of baking soda, 2 cups of water.Step 1. Get a glass container.Step 2. The more water you add, the harder your butter will be. I use about two cups of water.Step 3. Mash your butter with a fork. You can do it by hand or you can use a bowl or a mortar and pestle. Add
