Criteo search API - integrando Abrigos... chiquinhobaltasarlopespdfdownload A: I solved the problem in PC. And there is no browser crash error in any devices. But it is still not working. You have to check the ID of devices in settings and then manually enter ID. Then it is working good. If I enter device code I get the same error in browser. Please share this to all. the employees, and that Congress did not intend that they should be restricted to a "minority" of the employees. "Since the employees in the planning stage were not free to select from a large number of labor organizations without any regard to the extent of organization of other employees in the same unit, we consider that the propriety of the provision for the assistance of a Board-appointed representative in the formulation of a contract, and of the provision for a majority vote in its adoption, cannot be seriously challenged. The provision for the assistance of a representative has a wholesome purpose and is reasonable in the circumstances. Besides, it is a matter of legislative policy to give the Board effective means to eliminate obstructions in the channels of commerce. "If the Board wishes to go further than this, and to regulate practices affecting interstate commerce, the validity of the statutory scheme becomes another question. Beyond requiring an employer to bargain with the employees' chosen bargaining agent, § 7, Congress has extended a right of access to the Board to assert any right the union may have and to present evidence with respect to any question the Board finds to be within its jurisdiction. Congress, with general and special legislation, has taken pains to make certain that a union has a representative before the Board in all proceedings it sponsors affecting commerce. Under this general scheme, Congress has provided for a union security contract to be effective only by a majority vote of employees in the bargaining unit; it has also made the Board's approval of the union security clause a prerequisite to its effectiveness. Even as respects transactions affecting commerce only, Congress has required that the Board shall investigate them to determine whether a validly certified union is the representative of the employees concerned, and has vested in the Board the power and duty of deciding what shall be done in the circumstances of each case. It is impossible to regard these and other like provisions in the Act as evidences of an unfriendly purpose to suppress organization, and the conclusion seems inescapable that the aid provided for collective bargaining is
